## Head Talk

Dear families of Dedham CE Primary School,

There has been much speculation in the media recently regarding schools closing early for Christmas. The aim being to reduce the risk of self-isolation and supporting staff and pupils to enjoy their Christmas with families. I want to share with you clarification on this position from the Local Authority and Department for Education.

The Government have been very clear about the expectation that schools remain open to the end of term and this has been repeated in new guidance issued last week. The Local Authority have also come to the conclusion that to issue blanket guidance to move away from on-site learning and to remote learning for the last week of term is not something they can endorse. The main reasons behind their decision include:

- Within the Coronavirus Act 2020, under the Temporary Continuity Directive, the Secretary of State can direct schools to remain open.
- They would require schools to remain open to vulnerable pupils and children of critical workers, so a full switch to a remote learning offer would not be possible.
- The impact on parents needing childcare would be significant.

They do advise that it is incumbent on schools to be 'extra cautious' as we approach the Christmas holiday period. I am aware that many of you are disappointed that I have decided that children and staff will not be able to send Christmas cards in school this year, but this is led by this desire to be 'extra cautious' and do everything we can to protect

the health of everyone and any plans we might have for the shortened festive period.

In school, we will endeavour to keep the 'magic' of this time of year alive for our whole school community. This includes Class R and Class 2 producing a nativity which will be shared online with their parents in the last week of term. Also, each class will be decorating their classroom door with a Christmas theme, making Christmas cards within class bubbles and on Thursday 17<sup>th</sup> December it is Christmas Dinner day when we will encourage everybody to wear a Christmas jumper. Crackers and Christmas music will be enjoyed by everyone! We are considering an online theatre production too!

Displays around school are looking great and I thought you would enjoy seeing a few pictures.

My very best wishes to you all,

Mr David Lerner

understand that the decision to close the school is not taken lightly, and is only made after full consideration of the safety of the school site.

## Head Lice

For your information there have recently been a number of cases of head lice in school. While lice are nothing more than a nuisance, it is important that children are checked on a weekly basis so that any head lice can be dealt with quickly and before they can be allowed to spread. As there have been a couple of cases, we would ask you to check your child's head as soon as possible.

For further information on head lice please see your pharmacist or visit [www.nhs.uk/conditions/head-lice](http://www.nhs.uk/conditions/head-lice).

### The Journey to Christmas

#### Welcome to our Christmas Services for 2020

We really hope that you will be able to join us over Christmas after what has been such a difficult year. *God Rest you Merry Gentlemen* is one of the oldest known carols dating back to the 16th century, nevertheless, how apt is the Christmas promise in it's chorus *Oh Tidings of Comfort & Joy*. We pray that you know God's comfort and joy this Christmas-time.

**Book ahead:** seats for Carol services, Christmas Eve and Christmas Day services need to be booked in advance via our website
